2-Bedroom Apartment On The 2nd Floor

Discover our prestigious development, where modern living meets sustainability in a collection of contemporary homes designed for ultimate comfort. Set within a secure gated complex, this offering features twelve two-bedroom apartments, two duplex three-bedroom apartments, and four three-bedroom apartments across two blocks, each spanning six floors. Boasting high aesthetic entrance lobbies, concrete external walls with a ventilated ceramic façade system, and thermal insulation, these residences prioritize energy efficiency without compromising on elegance. Enjoy the luxury of climatic control with VRV systems, deluxe bathrooms featuring quality ceramic tiles, and spacious balconies offering sweeping views. Experience urban sophistication and eco-friendly living with state-of-the-art amenities and meticulously curated interiors. Including designated storage rooms, private parking spaces, and expansive landscaped areas, this development offers the perfect fusion of luxury and practic...
